

Seeking an Associate Rector or Curate

St. Boniface Episcopal Church Siesta Key, Sarasota, FL

Imagine next Ash Wednesday – distributing ashes to hundreds of beach goers – you are barefooted & wearing shorts. This is a ministry opportunity within walking distance of the #1 beach in the USA – right on the Gulf of Mexico! (<https://tinyurl.com/Best-Beach-in-the-USA>)

St Boniface Church on Siesta Key in Sarasota, Florida is seeking an Assistant Rector (or Curate). The job can be full-time – or, if you are nearing retirement or want flexibility as a parent, work full-time from September through May.

We offer a competitive salary ranging up to \$90,000 depending on your experience. Bonus is the white sand and azure water right out our parish doors.

We are a financially stable parish, with robust ministries, blessed with many of the other qualities listed by other parishes in the OTM and ENS seeking clergy. So, why consider St Boniface? We are a blue dot in an otherwise purplish town and red state. There is advocacy work to be done for justice and equity as given to us by Jesus – the one we follow. Plus, we are in a dynamic diocese with a visionary Bishop who is bringing us forward-thinking dreams for discipleship, diversity, leadership, and transformation.

We are seeking a creative, strategic, versatile, adaptive leader who is team-oriented. Together, we will build your portfolio from a variety of responsibilities that match your charisms with our needs. With over a dozen retired clergy who worship at St Boniface, you will have plenty of mentoring and inspiration.
